Notes:
The European Union as an entity provided $76 million in international support for mine action.
Other donors in 2019 included: the United Nations Central Emergency Response Fund ($1.7 million), the UN Foundation ($1.2 million), the Trust Fund for Peace and Security in Mali ($0.9 million), and the United Nations Association (UNA) Sweden (< $0.1 million).
International donors provided $38.7 million without designating a recipient state or area.

States Parties to the Mine Ban Treaty are bold. Signatory is italics. OTHER AREAS are UPPER CASE ITALICS.
